

PRBricks is About to Launch its Beta Version

Press Release Distribution Report Oct 19, 2018

Congratulations — Your press release has been submitted and successfully published on at least **445** sites across the internet, including local news sites under internationally recognized authority brands like ABC, Fox and NBC. It has also been syndicated to news RSS feeds and announced within the most popular newsdesk databases like Associated Press and MarketWatch that are collectively subscribed to by hundreds of thousands of journalists and bloggers.

Google Pickup

[Click here to check out the pick-up in Google](#) to see how many pages Google has discovered and indexed, which represents just a partial list of where your release and news has been published, shared and discussed.

As always, the success of your campaign is reliant on your efforts to craft compelling releases with the right keywords and language to get attention. Your success is our success and we are committed to helping you get more exposure.

PR Details

Title: PRBrics is About to Launch its Beta Version

Date: 2018-10-19 **Content:**

A revolutionary new online PR and [Local Marketing](#) service, named PRBrics, is excited to announce that in a few days its BETA version will be available for the public.

[PrBrics](#) is designed for business owners in the United States who are looking for ways to generate leads, create awareness and improve the branding for their local business. The goal

of the company is to bring relevant news and stories about businesses, products, and promotions to the right local audiences through a series of structured promotional activities.

PrBrics Beta is launching in a few days as a special treat to its first customers. Businesses who want to participate and benefit from the [small business marketing](#) services are welcomed to register on the official website: <https://prbrics.com/beta/>. After filling out the participation form, they will be able to receive the benefits, included in the full Premium Package, free of charge.

BETA users, who register for the service will receive the following package for free:

- A mass reach-out to up to 1500 journalists, bloggers, media outlets and influencers in the relevant business field.
- PR/News/Story publication on over 400 News Media Outlets with High Authority
- Extended Business Listing Service• Direct Access to a Social Media Managing Dashboard
- Extended customer review notifications
- Social Detect & Engage managed service

The team behind PRBrics is excited for the upcoming launch and is ready to welcome businesses of all fields and spheres. More detailed information about the services of PRBrics and the BETA launch are available on the official website: <https://prbrics.com>. A support team is ready to answer any questions, regarding the BETA launch and the services.

About PRBrics:

PRBrics' mission is to grant public visibility to your product, service and/or business, without which your success in the desired market is highly improbable. Our team understands how important it is to have stable and positive relationship with your customers, the future of your brand depends on. One primary way to gain it is through communicating your story to public opinion leaders, such as journalists, bloggers, and social media influencers. We are here to connect you to them and spread the word! We do way more than that, though.

Keyword Rankings

Recorded Keyword Rankings: 8

Our crazy tech monkeys have searched the web far and wide to find out what keywords your press release is ranking for. They worked hard and literally checked for hundreds of possible rankings.

Your press release ranked in the number one position in Google for 6 keyword phrases and was in the top ten for 7 phrases!

Below is a partial list of keyword rankings we were able to track. These rankings are a snapshot from the time we did our rank checking which was shortly after your release went live. These rankings are likely to change over time.

#1 - [prbrics beta](#)
#1 - [prbrics version](#)
#29 - [launch beta version](#)
#1 - [prbrics launch version](#)
